1. Progress: inspiring practices, partnerships and tools	
Describe, as concretely as possible, <i>up to four</i> examples identified during the session where progress has been made in the past years in terms of policies, practices or state-civil society partnerships	
1.	The Urban Agenda recognizes the role of cities in managing Natural Alliance Migration, forming a natural alliance between civil society and local authorities. This is an important connection and partnership for the successful implementation of the SDGs
2.	The Local Agenda for Sustainable and Resilient Cities => Access to health education and global citizenship
3.	In Indonesia, an innovative and participatory approach with the government with emphasis on justice and good governance with tools: -awareness-raising campaign -research and regular consultation Zero migrants abandoned
4.	Access to <i>BdD</i> data, but caution on the use of this data produced for research Making data accessible and understandable to all
2. Four recommendations, with related actions and indicators for change in policies and practices	
<p><b>Recommendations:</b> Describe, as concretely as possible, <i>up to four</i> recommendations where changes are needed in policies and practices—either national, regional or global. Also indicate at whom this recommendation is targeted (e.g., states, civil society actors, international agencies, etc.)</p> <p><b>Actions:</b> for each recommendation, what does civil society need to <i>do</i> to get these recommendations heard and implemented, either at national, regional or global level?</p> <p><b>Indicator(s)</b> of change or success: <u>What specific event(s), or what specific number(s),</u> e will demonstrate progress or success on this recommendation?</p>	

<b>Recommendation 1</b> and who targeted to	Linking the GFMD to the monitoring / steering of SDGs and national implementation
<b>Action(s)</b> for this recommendation (up to two maximum).	<b>For this purpose, they should have simple tools for measuring the implementation of SDOs. Working more closely on indicators to enable an integrated approach to SDGs and targets</b>
<b>Indicator(s)</b> of change or success on this recommendation (up to two maximum)	<b>Make data produced by research accessible and understandable</b>
<b>Recommendation 2</b> and who targeted to	<b>Funding. Implementation is not only for states but also for civil society (the problem is not to find means but to finance means /"it is not about finding ways but funding ways" )</b>
<b>Action(s)</b> for this recommendation (up to two maximum).	<b>Structuring our interaction strategies with governments to ensure that our messages are received and taken into account</b>
<b>Indicator(s)</b> of change or success on this recommendation	<b>Civil Society as actors of linkages between the alternative approaches and initiatives that work at the local level and the national level</b>

(up to two maximum)

<b>Recommendation 4</b> and who targeted to	
<b>Action(s)</b> for this recommendation (up to two maximum).	
<b>Indicator(s)</b> of change or success on this recommendation (up to two maximum)	
<b>3. Governance mechanisms and the Global Compact for safe, orderly and regular migration</b>	
Did your session suggest anything about (1) global or regional governance mechanisms that need to be improved/changed; and (2) elements that need to be included in the Global Compact for safe, orderly and regular Migration <i>(or where relevant also the Global Compact on Refugees)</i>	
1. Governance mechanisms:	A Cluster of SDGs with yearly revisions and specific thematic focus SDG17 will be revised on urbanization 8-Point Action Plan

2. Global Compact:	The Global Compact 2018 must be based on partnerships with all stakeholders
<b>4. Implementing related targets of the 2030 Sustainable Development Agenda</b>	
One year after the adoption of the 2030 Agenda, are there any lessons we can already draw from implementing its targets related to your session's theme specifically on the <b>local/national level</b> , and what (more) should civil society do?	
	How to look at and analyze the 17 Objectives without explicitly speaking about Migration and identifying elements that can contribute to better management of migration
	Civil society must put in place methods for monitoring SDGs, with its own indicators and identify the elements that affect the lives of migrants
<b>5. Recommendations and actions for women / children</b>	
Do any of the recommendations <u>or</u> action steps of your session specifically relate to women or children and how? <i>[if you have addressed this in the recommendations itself just simply refer to the recommendation no.]</i>	
1. Women:	
2. Children:	
<b>6. Priority messages to convey to governments by the CSD Chair on 10 December</b>	
If your session could choose only <b>two key messages</b> to be conveyed by the civil society CSD Chair in his report to states on the 10th of December, which would these be? <i>(feel free to just refer back to any point written out above)</i>	
1.	Linking the GFMD to the monitoring / steering of SDGs and national implementation
2.	Make GFMD a unique space of dialogue (mixed or separate) between all the stakeholders, and include "binding" the decisions that emerge
<b>7. Inspiring quotes</b>	
If you like, please provide one or <b>two quotes</b> that you heard during the session that you found inspiring. The sessions follow Chatham House rules, so please either ask for approval to name the speaker/organization <u>or</u> put "anonymous".	
<b>« it is not about finding ways but funding ways »</b>	
<b>8. Other information</b>	
Provide here any other information you think relevant	
Make a single inclusive GFMD Agenda that interacts with all stakeholders, including migrant women
